FOR IMMEDIATE RELEASE

NC TECH announces Triangle Job Fair

Job Fair showcases regional employment opportunities in the tech sector

Raleigh, NC (March 4, 2019) – The North Carolina Technology Association (NC TECH), along with community partners Work in the Triangle, Research Triangle Cleantech Cluster and Capital Area Workforce Development Board, will host the next [Triangle Job Fair](#) on Friday, March 8, 2019 from 8:30 am – 1:00 pm at the Sheraton Imperial Hotel + Convention Center in Durham.

Over 20 hiring companies are expected to exhibit, with hundreds of positions to fill. The skill sets for these openings range from entry level to senior roles in Software Development & Engineering, Web & Mobile Development, Data Analytics, Healthcare IT, IT Management, IT Support & Security, Cloud Computing, QA, Project & Account Management, Business Development, Marketing, Administration and more.

Featured employers to date include: Conduent, Credit Suisse, Deutsche Bank, Devada, ECPI University, First Citizens Bank, Genohm, IBM, Inmar, LCI, Lenovo, LexisNexis, MetLife, MyComputerCareer, NC Electric Cooperatives, NTT DATA Services, Resolvit, Samanage, Spreedly and WGU North Carolina.

Employers participating in the Job Fair will also post select job openings on NC TECH's [Job Board](#). These positions will be featured via Twitter [@TechJobsNC](#) and the hashtag [#TriangleJobFair](#) to reach job seekers from outside of the region.

“The benefit of the in-person and virtual components of these job fairs is that candidates and employers have more options to connect,” said Brooks Raiford, President + CEO of NC TECH.

Several exhibit spots remain available for employers that wish to participate. The Job Fair is *free* to all job seekers. For more information on becoming a featured employer or if you're a job seeker and would like to register to attend, visit the [job fair page](#) or contact Michelle Calton at michelle@nctech.org or 919-856-0393.

About NC TECH

NC TECH is a not-for-profit, membership-driven trade association and the primary voice of the technology industry in North Carolina. NC TECH's mission is to foster growth and champion innovation in North Carolina's tech sector, while providing a voice for the tech community. For more information, visit nctech.org.
