

2018 Sponsorship Opportunities

NCTECH
Association

WHO WE ARE

The North Carolina Technology Association (NC TECH) is a member-driven non-profit that serves as the “voice” of the state’s tech sector. 2018 will mark our 25th Anniversary and is promising to be a big year as we will be celebrating throughout the year in various ways. Through advocacy, engagement and development, NC TECH helps drive the growth in North Carolina’s tech and tech-enabled businesses which is a tremendous growth engine for the state’s economy.

Sponsorship of NC TECH events is an impactful way for you and your organization to garner valuable brand recognition as well as reach high-level executives and decision-makers from across the state. As a sponsor, you will receive exclusive benefits and special recognition before, during and after the event. Additionally, we can work with you to build a program that meets your needs, regardless of your budget, and helps you achieve your business goals. In this sponsorship menu, you will have at your fingertips an at a glance perspective of all of NC TECH’s events, programs and networks. At the top of the each Signature Event, you will see the dates, locations, and quick overview. You will also be able to quickly move from Signature Events to Programs to Networks to better enable you to get the full scope of programming opportunities available.

TECH TALK LIVE (TTL)

Tech Talk Live is a discussion series that explores how technologies are changing the way we do business, along with how they impact North Carolina's economy. In 2018, the focus will be on four different topical areas: Analytics/IoT, Cybersecurity, Digital Transformation and Talent & Diversity. Each program will feature a keynote presentation or an interactive panel discussion around trends and developments.

Title Sponsor • \$12,000

Recognized as the Presenting Sponsor at all TTL events across the state | Option to speak at each event as well as have logo recognition associated with all events. The Presenting Sponsor will have input into discussion topics, panelists and has the ability to host one or more events.

Regional Sponsor • \$3,500 (Exclusive per Location)

Recognized as the regional sponsor for each series of TTL events across the state and have the opportunity to speak at each event within the sponsored region as well as have logo recognition associated with all events within the sponsored series. Additionally, the Regional Series sponsor could host and moderate one of the series events during the year. Regions: Charlotte (\$3,500), Triangle (\$3,500), Triad/Wilmington (\$3,000).

Series Sponsor • \$3,000 (Exclusive per Series Track)

Recognized as the sponsor for each series of TTL events across the state and have the opportunity to speak at each event as well as have logo recognition associated with all event within the sponsored series. Additionally, the Series sponsor could host and moderate one of the series events during the year. The goal would be to have at least one event per region (CLT, Triad, Triangle) in each series per year

Tracks:

Cybersecurity | Analytics/Internet of Things (IoT)
Digital Transformation | Talent & Diversity

Program Sponsor • \$1,500

Recognized as the sponsor for one TTL event. Would have the opportunity to host and moderate one event and have logo recognition as well as display space at that one event.

Logo on promotional materials including website and signage at all events

Beverage Sponsor • \$750 (1 per Event)

Logo on promotional materials including website and signage at the event

Networking • \$250 (1 per Event)

Logo on promotional materials including website and signage at the event

NC TECH GAME NIGHT AT THE CANES

March 20, 2018

Nothing says tailgating like a pig pickin' and cold brews in a reserved tent, to start off the evening. Then, head inside to cheer on the Canes in reserved seats on the Club Level. Members of the Hurricanes staff will be there to engage with and in past years Stormy and members of the Storm Squad have surprised us with a visit. This activity provides a social venue perfect for bringing customers/clients, a perk for employees and it's also "family friendly" for those who would like to bring family and friends. Registration includes your game ticket and food/beverage in a pre-game tailgate tent.

This opportunity is for you if your company wants to break the ice.....at the ice!

Host Sponsor • \$1,500 (Limited Availability)

Logo used on promotional materials to include website and signage during pre-game reception | Logo on placards set at tables 6 game tickets including food and beverage in the NC TECH pre-game tailgate tent

Beverage Sponsor • \$750 (2 Available)

Logo used on promotion materials | Logo on placards at the pre-game beverage station | 2 game tickets including food and beverage in the NC TECH pre-game tailgate tent

ROBOT RUMBLE

Are you looking for a fun, engaging and educational team building experience for your company or department? The Robot Rumble is it! The corporate team building experience will challenge 10 company teams to build the best robot using the LEGO EV3 Mindstorm kit for a run at the FIRST LEGO League competition table. With the goal of raising awareness and funds for FIRST North Carolina and the North Carolina Technology Association, this fun event will bring the tech sector together to engage in friendly competition and learn more about the experiences available for North Carolina's youth. Corporate teams will be made up of 4-6 company representatives and will be coached by current FIRST Robotics competitors.

Presenting Sponsor • \$2,500

Provide opening remarks, Introduce the teams and opportunity to emcee the competition, Logo on webpage and promotional materials, Option to include an item in the winners "swag bag", May provide a corporate team.

Host Sponsor • \$2,000

Provide welcome remarks, Provide meeting space and refreshments, Logo on webpage and promotional materials, Option to include an item in the winners "swag bag", May provide a corporate team.

Corporate Team Sponsor • \$1,000

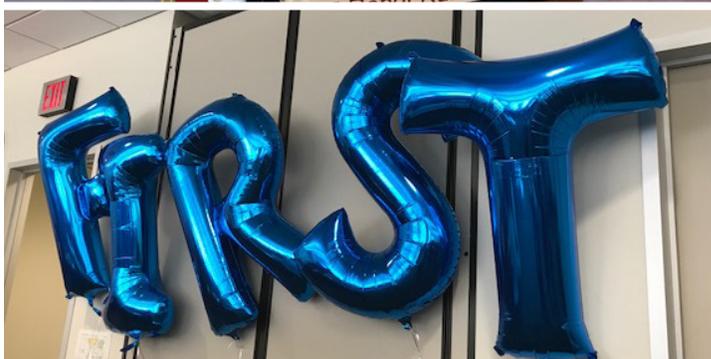

Entry for your company to bring 4-6 participants to compete in the Robot Rumble, Logo on webpage and promotional materials, Option to include an item in the winners "swag bag."

Competition Table Sponsorship • \$750

Logo on one of the competition tables, on webpage and promotional materials, Recognition during the competition, Option to include an item in the winners "swag bag."

Award Sponsor • \$500

Recognition at the event as the Award sponsor as well as a branded card/note with the award. Logo on webpage and promotional materials, Opportunity to provide a "swag bag" to the winning team (4-6 bags).

CIO ACTIVITIES

CIO Peer2Peer Network • \$2,500 (Two Available per Meeting)

Quarterly Meetings – March 20; June 19; September 18; December 4

A forum exclusive to CIOs (and IT Leaders with enterprise responsibility) to exchange information and best practices. IT leaders gather for roundtable sessions hosted by Cisco utilizing TelePresence technology. Session topics are selected and moderated by participating CIOs. Past topics include: Implementation of Big Data/Analytics; Evolution of the CIO; Engaging ALL Leaders in IT Decisions and Ransomware.

In-person sites are available in Charlotte, Raleigh, and Wilmington.

CIO Peer2Peer Private Dinners • \$6,000 plus the cost of dinner (Exclusive) • Multiple Times in Different Markets

Host a private dinner with CIOs from across the state. As a single sponsor, you would host a dozen or more CIOs, gathered in an intimate dinner setting to discuss best practices and issues common to all industries. Past venues have included the Angus Barn Wine Cellar in Raleigh and the Duke Mansion in Charlotte.

CIO Peer2Peer Social • \$1,500 (Limited Availability per Social)

January 10 (Charlotte); March 15 (Triangle); April 19 (Triad); July 12 (Charlotte); August 23 (Triangle)

Relationship building is critical to success in any business or industry. NC TECH is introducing CIO Peer2Peer receptions to provide CIOs, CISOs and IT executives the opportunity to come together and build relationships with others and discuss issues common to all in a more informal setting.

SAS Championship • \$2,000 • October 12, 2018 (Limited Availability)

We have partnered with the organizers of the SAS Championship – a PGA Champions Tour event - to offer a private NC TECH experience for our CIOs and CISOs to gather at the tournament. The CIOs and our sponsors will convene for a private breakfast in the Clubhouse at Prestonwood Country Club, followed by access to the VIP Skybox on the 17th Green (complimentary food and beverage throughout the day, grounds access all day, valet parking, and more).

CIO Auction • Bidding • December (Online)

Going once, going twice – secure a meeting with a CIO by being the winning online bidder. Once a year, members have the chance for a guaranteed one-on-one meeting with CIOs. Proceeds support NC TECH programming, including our education foundation which administers a scholarship for women pursuing a STEM academic path.

OTHER

CEO Auction • Bidding • March (Online)

Going once, going twice – secure a meeting with a tech CEO or a Site Executive by being the winning online bidder. Once a year, members have the chance for a guaranteed one-on-one meeting with Technology Executives. Proceeds support NC TECH programming, including our education foundation which administers a scholarship for women pursuing a STEM academic path.

Women in Technology

March 9 (Triangle); May 18 (Charlotte) and October 26 (Triad)

Participate in ongoing conversation about women in the tech sector. This series will explore the current state of women in tech, talk through how to ignite a passion in girls in STEM fields as well as other topics regarding women in the workplace and will challenge the status quo.

Series Sponsor • \$3,000

Recognized as the sponsor of the Women in Tech events across the state and have the opportunity to speak at each event as well as have logo recognition associated with all WIT events. The goal would be to have at least one event per region (Charlotte, Triad and Triangle) per year.

Program Sponsor • \$1,500

Recognized as the sponsor for one Women in Tech event. Would have the opportunity to host and moderate one event and have logo recognition as well as display space at that one event.

GOVERNMENT AFFAIRS

NC TECH engages with elected and appointed leaders at the state and federal levels to ensure that the interests of the tech sector are well represented. From legislation to procurement, NC TECH offers a variety of avenues for two-way dialog with policy makers.

Capitol Hill Reception

February 14, 2018 (Washington, DC)

Interact with North Carolina's Congressional leaders (elected and staff) at this intimate reception on Capitol Hill. NC TECH members who work in the DC area, or whose travel can coincide with this event, are invited to register.

Reception Host • \$1,500 (Limited Availability)

Logo displayed on event web page and signage at reception, Recognition in all pre and post press for the event, 4 complimentary registrations.

Legislative Outlook

Late spring, 2018 (Triangle)

Engage with elected officials to get a preview of the state's most important tech policy issues and what's coming down the road for North Carolina. Hear from state legislators about their tech priorities for the upcoming legislative session.

Host Sponsor • \$1,500 (Limited Availability)

Logo displayed on event web page and event signage, premier seating

Government Vendor Network

Quarterly Meetings - January 24; April 25; July 18; October 24 (Triangle)

A forum for members to learn and discuss how technology is procured and deployed in state government. NC TECH brings in senior state officials and policy makers to discuss challenges they face and how technology might provide solutions in efficiency and cost reduction.

Event Sponsor • \$1,500 (Exclusive per Meeting)

Provide opening remarks and introduce speaker or moderate panel, logo on network webpage and promotional materials

Tech Day at the Legislature

June 5, 2018 (Triangle)

Each year during the early weeks of the North Carolina General Assembly's Session, NC TECH hosts a legislative breakfast open to all legislators and NC TECH members. The balance of the day features some mixture of exhibits, presentations to key committees, and more.

Tech Day Title Sponsor • \$3,000 (Exclusive)

Provide remarks at Tech Day Breakfast, logo on event webpage, recognition at any additional activities that day

Tech Day Breakfast Sponsor • \$1,500 (Exclusive)

Provide welcome remarks, logo on network webpage and promotional materials

NORTH CAROLINA STATE OF THE TECHNOLOGY INDUSTRY REPORT & TECH DIRECTORY

Annual release of statewide data via website, printed directory w/ Key Findings and data briefings at events.

NC TECH's annual State of Technology Industry Report (released online at www.NCSTIR.com) includes a compilation of valuable information and analysis on how NC is doing in areas such as year-over-year growth in tech establishments as well as core IT and tech sector employment. The data also highlights a variety of indicators and areas that reflect the strength and opportunity of NC's tech sector and how we match/measure up to other states. Available in online, print and digital versions.

Sponsorships Ranging from \$2,500 - \$10,000

(For full detail on sponsorship benefits: 2018 NCSTIR overview and sponsorship menu)

COME TECH OUT Job Fair

March 28 (Triangle) and October 18 (Triangle)

Whether hiring for 1 or 100, the COME TECH OUT Job Fair connects the area's top talent across various functional areas and levels of expertise with growing employers. Participating sponsors and employers gain widespread visibility as a tech employer with access to a large number of qualified candidates in person and virtually. Past Job Fairs have been covered by media outlets leading up to and on site at the event.

Job Fair Swag Bag • \$2,000
