NC TECH will hit the road for a week in June to traverse the state - from the mountains to the coast - to uncover tech happenings including tech tours, tech talk live programs and Brews + Bytes techworking socials.

We will share stories, photos, insights and more as we go so you can get an inside look at what communities of all sizes are doing to impact the state's tech ecosystem. You can join us on the road or follow along at #NCTechTour19 on Twitter.

SPONSORSHIP LEVELS
A great way to get visibility across the state including to meet/greet with business and tech leaders in different markets and some social media attention.

Tour Title Sponsor ● $5,000
Logo recognition as Title Sponsor on promotional materials including website, invitation, social media and signage at stops throughout the week | provide welcome remarks at each Tech Tour stop | option to provide your own logo item to attendees along the tour

Tour Supporters ● $1,000
Logo on promotional materials including website, invitation, signage, social media at stops throughout the week | option to provide your own logo item to attendees along the tour

Brews + Bytes Sponsor ● $750
Logo on promotional materials including website, invitation, signage, social media regarding specific Brews + Bytes event | exhibit space at Brews + Bytes location

Tour Bus Sponsor · $750 (Triangle Only)
Logo on promotional materials including website, invitation, signage, social media regarding specific Triangle Tech Tour Bus experience | branding on Tech Tour bus | opportunity to your own logo items to tech tour riders
