

LEADERSHIP SUMMIT 2022

Pinehurst Resort, Pinehurst, NC

An annual favorite, the Leadership Summit is hosted by the NC TECH Board of Directors and Advisors. This year's Summit will focus on resiliency and sustainability in leadership. COVID-19 has changed the way we do business and engage with others, reinforcing the fact that flexibility and managing through constant change needs to be part of any leader's toolbox.

Geared towards executives, the NC TECH Leadership Summit provides the opportunity to network and hear from some of the tech sector's top leaders on a variety of topics from talent to transformation through both structured discussions and more informal engagement opportunities.
