

CIO ACTIVITIES

CIO ACTIVITIES

CIO Peer2Peer Network • \$2,500 (Two Available per Meeting)

Quarterly Meetings – March 20; June 19; September 18; December 11

A forum exclusive to CIOs (and IT Leaders with enterprise responsibility) to exchange information and best practices. IT leaders gather for roundtable sessions hosted by Cisco utilizing TelePresence technology. Session topics are selected and moderated by participating CIOs. Past topics include: Implementation of Big Data/Analytics; Evolution of the CIO; Engaging ALL Leaders in IT Decisions and Ransomware.

In-person sites are available in Charlotte, Raleigh, and Wilmington.

CIO Peer2Peer Private Dinners • \$6,000 plus the cost of dinner (Exclusive) • Multiple Times in Different Markets

Host a private dinner with CIOs from across the state. As a single sponsor, you would host a dozen or more CIOs, gathered in an intimate dinner setting to discuss best practices and issues common to all industries. Past venues have included the Angus Barn Wine Cellar in Raleigh and the Duke Mansion in Charlotte.

CIO Peer2Peer Social • \$1,500 (Limited Availability per Social)

Quarterly Meetings, dates TBA

Relationship building is critical to success in any business or industry. NC TECH is introducing CIO Peer2Peer receptions to provide CIOs, CISOs and IT executives the opportunity to come together and build relationships with others and discuss issues common to all in a more informal setting.

SAS Championship • \$2,000 • October 12, 2018 (Limited Availability)

We have partnered with the organizers of the SAS Championship – a PGA Champions Tour event – to offer a private NC TECH experience for our CIOs and CISOs to gather at the tournament. The CIOs and our sponsors will convene for a private breakfast in the Clubhouse at Prestonwood Country Club, followed by access to the VIP Skybox on the 17th Green (complimentary food and beverage throughout the day, grounds access all day, valet parking, and more).

CIO Auction • Bidding • December (Online)

Going once, going twice – secure a meeting with a CIO by being the winning online bidder. Once a year, members have the chance for a guaranteed one-on-one meeting with CIOs. Proceeds support NC TECH programming, including our education foundation which administers a scholarship for women pursuing a STEM academic path.
