

NC TECH, in partnership with Business North Carolina, will launch an awards program to recognize critical, non-C-suite contributors who go the extra mile, build products, grow revenue, support operations, and run the projects that propel businesses forward. The winners will be celebrated during a reception on June 12 at the Raleigh Convention Center and will be featured in the June issue of Business North Carolina. In addition to being star performers, winners are committed team players who build others up through mentoring, volunteering, and positive example, and are committed to contributing to the broader community. Individuals must be nominated by executive leadership and will represent a wide range of roles, such as software developers, financial analysts, data scientists, marketing directors, security operations, recruiters, and product managers.

**Winners Celebrated:** Reception at the Raleigh Convention Center on June 12 (Reception kicks off the [State of Tech EXPONENTIAL Event](#) to be held on June 13)

**Winners Recognized:** *Business North Carolina* June Issue
