

BOARD OF ADVISORS

FUELING NORTH CAROLINA'S ECONOMY THROUGH TECHNOLOGY

OVERVIEW

NC TECH's Board of Advisors provides a platform for elevated engagement and visibility within North Carolina's technology community. Advisors serve as strategic partners to NC TECH—offering insight and feedback, expanding the association's reach through community connections, and championing NC TECH as the leading voice for the state's tech sector.

The caliber of participants is exceptional, creating a network of mutual benefit among North Carolina's technology leaders. Members of the Board of Advisors include executives who:

- Aspire to future service on the NC TECH Board of Directors
- Seek deeper engagement with association leadership
- Value meaningful relationships across North Carolina's tech ecosystem

INVESTMENT

Membership on the Board of Advisors is **\$600 annually**, billed with your NC TECH membership renewal. If you'd like to join mid-cycle, the investment can be **pro-rated**. New members may add the Advisor designation at the time of joining.

TIME COMMITMENT

Service on the Board of Advisors is **calendar-friendly!**

There are no mandatory meetings—Advisors connect organically at existing NC TECH events through exclusive receptions and networking opportunities. Ongoing updates are shared through the Board of Advisors Quarterly Newsletter and the Advisors Interest Group within *NC TECH Connect*, our virtual community.
