The screenshot shows the NC TECH website interface. At the top, there are navigation links for HOME, PRICING, POST JOBS, and RESUME SEARCH. A banner for NC TECH Members offers to post job openings for free, with a link to create an account. Below this is a section titled "Tech Job Board Account Benefits" with icons for Post Jobs, Manage Apps, and Search Resumes, followed by a "Get Started!" button. A "Site Statistics" section displays "215 Average Views Per Job". The "Job Posting Pricing Options" section has tabs for Member and Non-Member. Three packages are listed: "Single 30-day Online Job Posting" (FREE for Members), "Three Month Unlimited Job Posting Package" (FREE for Members), and "60-Day Internship Posting Package" (FREE for Members). Each package includes a "POST NOW" button.

STEP TWO: Complete the Employer Registration Pages

Create an account by entering your contact and company information, selecting a password, and reviewing the Terms & Conditions. (You may be asked for billing contact information, but no payment method will be collected).

Make sure to select **YES** under the member status option (this triggers the package/postings to be free). Membership will be verified on the back end.

The screenshot shows the 'Employer Registration' page on the NCTECH website. The page has a teal header with the NCTECH logo and navigation links for 'JOB SEEKERS' and 'EMPLOYERS'. A 'Guest Employer' profile is visible in the top right. The main content area is titled 'Employer Registration' and includes a progress bar with three steps: 'Account Info', 'Contact Info', and 'Finished'. Below the title, a note states 'Fields marked * are required'. The form contains several sections: 'First Name' and 'Last Name' (text inputs), 'Job Title' (text input), 'Phone' and 'Mobile Phone' (text inputs), 'Time Zone' (a dropdown menu currently set to 'Eastern Standard Time GMT -5:00'), 'Email' and 'Confirm Email' (text inputs), 'Password' and 'Confirm Password' (text inputs, with a note that passwords must be between 7 and 25 characters), a question 'Are you or is someone in your company a member of North Carolina Technology Association?' with radio buttons for 'Yes' and 'No', 'Employer Type' (radio buttons for 'Employer', 'Recruiter', and 'Advertising Agency'), 'Employer Name' (text input, marked as required), 'Employer Website' (text input), and 'Employer Profile' (text input, marked as required, with a note that this information will appear with job postings but not the job posting itself).
